

Dear Teachers and Staff,

We are happy to report that Matt Schucker's grant application requesting funds for a keyboard called a Yamaha Harmony Director has been approved. The generous Maury River Middle School PTA contributed toward the purchase, as well. This piece of equipment will be used at MRMS and at RMS next year and for many years after at the blended schools.

This is just one more reminder that we welcome grant applications throughout the summer. Summer deadlines are June 4, July 2, and August 6. Please remember us if ideas blossom in the summer heat. The application is on the Bridge.

Any of us on the Board would be more than happy to discuss ideas with you before you begin to write and are willing to help you write. Our donors have given money that is waiting for you. My home phone is 463-9362, my home email is cphemister@ntelos.net, and you can also email me at Maury River.

Good luck during the SOL season. We thank you for all you do for the students of Rockbridge County. We look forward to working with you next year.

Best,

Carol Phemister for the Foundation
