

Live Lessons: Hey Natural Bridge Rockets!

We are so excited to announce that NBE is going to be able to provide optional Live Lessons with teachers during the day. If you are struggling with work and would like to talk to the teacher and hear a lesson directly from them, then live lessons can help. Below is a schedule of when teachers will be available.

One thing we are super excited to offer is a live PE class. You can start each day with Mr. Hundley and good physical activity!

Please take a look at the times below and see when your teacher is available for a live lesson. Once you have the time you can sign into a Google Meet with your teacher through your Google Classroom.

We may not be in the same room every day, but we can still see each other and continue our learning.

Times	Monday	Tuesday	Wednesday	Thursday	Friday
8:30-9:00	PE (All Grades)	PE (All Grades)	PE (All Grades)	PE (All Grades)	9:00- Title One 2nd Grade

11:00-11:45	Title One 1st Grade	Title One 2nd Grade	Title One 3rd Grade	Title One 4 th /5th	

Space:

Another great option that our students have is our SPACE program. This is our afterschool program which is set up for help with homework and to have a little fun. During SPACE, students can work with teachers on school work and then join their friends for virtual fun during enrichment activities like; drawing club, games, and dance. This is a good chance to make sure your students' work is done and correct, as well as, have a little fun and socialization. Please look at the schedule below to know when teachers are available for homework help and when our enrichment activities are scheduled. If you are not a part of SPACE, please contact the Coordinator, Mrs. Bain, at Stacey_Bain@rockbridge.k12.va.us or call at 540-460-9006.

Monday	Tuesday	Wednesday	Thursday	Friday
3:30 PM-4:30 PM	3:30 PM-4:30 PM	No Early SPACE Program	3:30 PM-4:30 PM	3:30 PM-4:30 PM
